Timely information & meaningful relationships *all in 48 hours, and at no cost to you or your municipality*

IT'S NOT A TRADE SHOW... NOT EVEN CLOSE

Establish new relationships and learn more in 48 hours than you ever thought was possible! The EMS Summit is two days of uniquely structured small group presentations, interactive roundtable sessions and social functions, unlike anything you've ever experienced. Get introduced to dozens of others responsible for EMS departments and senior representatives from the vendor community who will share their case studies on how they're approaching industry issues in the US, Canada and around the world. You will return to your organization energized and full of new ideas! Best of all, there's no cost to you, your municipality or your organization to participate.

A private grant covers all travel, hotel, meal and conference costs.

WHO'S ELIGIBLE TO HAVE ALL COSTS COVERED?

To be eligible for the EMS Summit, you must own or operate at least 5 ALS and/or BLS ambulances. Your title should be EMS Chief, Assistant EMS Chief, or similar. Most important, you should have decision-making authority or specific input into the products and services your EMS purchases. You should be comfortable networking with other industry professionals in both structured and unstructured environments.

ONLY 40 EMS CHIEFS CAN PARTICIPATE.

BRINGING PEOPLE TOGETHER TO HELP EACH OTHER

The EMS Summit is unique. We know there's no better way to share information and think through opportunities than by spending structured time with others who do exactly what you do. Get insights on an immediate issue, learn what's working for them and what's not, and gain a colleague you can call in confidence.
