## **IT'S NOT A TRADE SHOW... NOT EVEN CLOSE**

Establish new relationships and learn more in 48 hours than you ever thought was possible!

The EMS Summit is two days of uniquely structured small group presentations, interactive roundtable sessions and social functions, unlike anything you've ever experienced. Get introduced to dozens of others responsible for their EMS operations and senior representatives from the supplier community who will share their case studies on how they're approaching EMS issues in the US, Canada and around the world. You will return to your department energized and full of new ideas! Best of all, there's no cost to you or your institution to participate.

*"The topics were great, informative, and applicable to current issues. The one-to-one meetings was a unique experience and I really enjoyed the networking."*
